Dear Sir:

Recent correspondence to the USPTO included a Revocation of Power of Attorney and Change of Correspondence Address for the above-referenced application. However, USPTO records show that the correspondence address has not yet been updated.

Could you kindly amend your records to reflect the current correspondence address of McQuaide, Blasko, Fleming & Faulkner, Inc. rather than Fish & Richardson on the above-referenced patent application? The Revocation and New Power of Attorney previously submitted is attached for your convenience.

If you have any questions, please do not hesitate to contact us. Thank you for your assistance in this matter.

Livinia N. Jones
